

# Panamerican Peaks Project

## Mission

Ride a bicycle from Alaska to Patagonia and climb the highest peak of every country along the way!

Thomas Laussermair combines his passion for bike riding, mountaineering and world travelling in this adventure of a lifetime. See his previous trips at [www.tlausser.com](http://www.tlausser.com)

The project will start in May-09 and last about 1 year. Follow preparations and progress online at [www.panamericanpeaks.com](http://www.panamericanpeaks.com)

**MEDECINS SANS FRONTIERES**  
**DOCTORS WITHOUT BORDERS**

Doctors Without Borders/Médecins Sans Frontières (MSF) is an international independent medical humanitarian organization that delivers emergency aid to people affected by armed conflict, epidemics, malnutrition, natural disasters, or exclusion from health care in nearly 60 countries, including many of the Panamerican countries.

On any one day, close to 27,000 doctors, nurses, logisticians, water-and-sanitation experts, administrators, and other qualified professionals can be found providing medical care in international teams made up of local MSF aid workers and their colleagues from around the world.

Founded in 1971 in France, today MSF is an international association with offices in 19 countries. In 1999, the organization was awarded the Nobel Peace prize.

## Sponsor a Mile for MSF

Please support and donate to MSF by sponsoring miles of this trip online at [www.firstgiving.com/tlausser](http://www.firstgiving.com/tlausser) The goal is to raise 1\$ per km or \$25,000.- total.
